

## Course Description

In this course, you'll learn the main concepts of FastAPI and how to use it to quickly create web APIs that implement best practices by default. By the end of it, you will be able to start creating production-ready web APIs.

## ✓ Certificate of Completion

This person's account is verified and was created on Sept. 23, 2019. Real Python certifies their completion of the *Python REST APIs With FastAPI* course on Aug. 31, 2022.

## About Real Python

[Real Python](https://realpython.com) is an online learning platform and expert community for Python software developers. It offers interactive online classes and in-depth tutorials created by a team of subject matter experts.
